

TMTA TRUCK SAFETY CONTEST

Contest Rules:

- Company must be a member of TMTA.
- Contest winners will be determined by lowest Accident Frequency Rate in each mileage classification for the year 2011. The formula for determining Accident Frequency is:

$$\frac{\text{Number of accidents} \times 1,000,000}{\text{Vehicle miles}}$$

- Only those accidents required by DOT to be recordable as defined in Title 49, Code of Federal Regulations, Section 390.5 will be counted in determining a company's Accident Frequency Rate.
- For TMTA member carriers operating interstate, contest figures should only reflect the mileage and accidents occurring in Texas.
- Companies may submit entry forms for different operating divisions within their company but may not enter additional cities within the same operating division.
- Winners in each Mileage Classification will be audited by a TMTA Safety Management Council Representative.

Please complete the information below and return to the TMTA Offices, Attn: Safety Dept., 700 East 11th Street, Austin, Texas 78701, or fax to 512/474-6494. Contest applications must be returned to TMTA by March 1, 2012. Winners will be announced during the TMTA Annual Conference July 31-August 2, at the Westin La Cantera Resort in San Antonio, Texas. Winners must have representative present to accept award.
